

- | | | |
|--|--|--|
| 
Valters Jekabsons
Head of LIAA in Sweden | 
Adam Adamovitch
Business Development at Eventech; PR & Marketing Commercialization Reactor | 
Kim Grundstrom
Chief Executive Officer at Kimmy Photonics |
| 
Fabrice Testa
Serial Tech Entrepreneur | 
Geraldine Naja
Director of Commercialisation, Industry and Procurement at the European Space Agency (ESA) | 
Ize Indriksone
Minister of Economics |
| 
Kaspars Rožkalns
Director General at Investment and Development Agency of Latvia | 
Raphael Roettgen
Founder of E2MC Ventures; Co-founder of Prometheus Life Technologies | 
Ferdinand Bartels
Former Chairman of the INAM Board CEO at Lab14 |
| 
Anna Grinberg
Engineer at Airbus DS | 
Ph.D. Andris Anspoks
Director of the Institute of Solid State Physics | 
Raimonds Lapiņš
Ministry of Economics, Deputy state secretary |
| 
Arseniy Sergeyev
CEO & Co-founder | 
Marcel Gasser
Business Coach & Strategic Mentor | 
Matej Peretin
Founder & CEO at BOMBUS Co-founder & CEO at AlgaeMass+ |
| 
Ivars Pinkulis
Co-Founder at ETGAS; Partner at EnerTECgreen Ltd. | 
Arnis Pūciņš
Head of Investment Promotion Division, Investment and tourism agency of Riga | 
Erick Pastor
Venture Entrepreneurial Partner at Commercialization Reactor |
| 
Dr.Lennart B.M. Svensson
Co-founder & Management PhotonicsSweden | 
Rein Lamberpau
CEO of Contriber | 
Verneri Välimaa
Event Specialist Deep Tech lead at ArcticStartup |
| 
Toms Slapjums
Adriano, CEO & Co-Founder | 
Sandra Ortega Ugaldé
ECLSS Engineer at HE Space Operations, ESA | 
Anna Andersone
CEO, Chair of the Board at Riga TechGirls |
| 
Ph.D. Vyacheslavs Kashcheyevs
Professor of quantum physics at University of Latvia | 
Pieter van Beekhuizen
Director and Founder, Bexperience | 
Ph.D. Cord Arnold
Associate professor at Lund University |
| 
Farhad Ansis Lipenitis
.Cocoon Program CEO | 
Sjurdur Djurhuus
Talent Acquisition Officer at EU Agency for the Space Programme | 
Elad Sagi
Senior Technology Advisor, Israel Space Agency |
| 
Tālis Juhna
The Rector of Riga Technical University | 
Andis Supe
Dr.sc.ing. at Riga Technical University | 
Laura Štrovalde
Deputy Director General for Investment and Energy Issues |
| 
Gundars Rusovs
Founder at REHAD | 
Mārtiņš Bičevskis
Investor, Supervisory Board Member, Mentor | 
Sergej Jakimov
Managing Partner at LongeVC |
| 
Krista Krumina
CO-founder of Truesix | 
Dr. Daniel Bengtsson Blücher
Head of Corrosion and Tribology at SINTEF, Trondheim, Norway | 
Ilmārs Osmaniš
Founder and CEO at LightSpace Labs & Member Board of Directors at EUROCDSS |
| 
Ph.D. Caroline Amiot
Project Manager at Photonics Finland | 
László Bacsárdi
Associate Professor at the Budapest University of Technology and Economic | 
Donatas Miškinis
CTO, Allatherm |
| 
Timo Mustonen
Founder, Sustainable Space Economy | 
Jan Bogdanov
Co-Founder and Product Owner of deep tech startup LightCode Photonics | 
Ine Måreng
Ambassador of Norway to Latvia |
| 
Janis Oļins
Founder at CastPrint | 
Dr. Šarūnas Varnagiris
Head of Lithuanian Hydrogen Energy Association | 
Pēteris Marculans
Managing Partner at Overkill Ventures & Venture Partner at Accelerace |
| 
Lauren Covetta
Communications Officer at NATO | 
Oliver Hasse
Managing Director at INAM - Innovation Network for Advanced Materials & Managing Partner at Oceanis Ventures | 
Imants Martinsons
Director Latvia at Cleantech for Baltics |
| 
Valdo Mikheļevičs
Deep Tech Project Lead at Startup Estonia Project Manager at Tartu Science Park | 
Sven Parkel
General Manager at Estonian Hydrogen Cluster | 
Pēteris Lesničenoks
Researcher at ISSP UL (Institute of Solid State Physics, University of Latvia) |
| 
Kaspars Liepiņš
Founder at the H2Latvia | 
Alexandr Parfinovich
Co-founder at Naco Technologies | 
Triinu Lööve
Project Manager at University of Tartu, Centre for Entrepreneurship and Innovation |
| 
Annick Verween
Manager at biotope Incubator by VIB; Business Development Manager at VIB | 
Peter Mogoroyosy
Owner at Laser Consult Kft | 
Rolando Delgado
General Affairs at MCI and Senior Project Manager at Riga City Council |
| 
Szymon Kwiatkowski
Investment Manager at EIT InnoEnergy | 
Lars Boehnisch
Venture Capitalist at Evonik Venture Capital GmbH | 
Aline Santa Izabel
Innovation Ecosystems & Partnership Manager DIGITALWELL ARENA |
| 
Sigrid Rajalo
Head of Innovation Policy at the Ministry of Economic Affairs and Communications for Estonia | 
Marko Koski
Operations & Partnerships at EnergySpin - Energy Solutions Business Accelerator | 
Dr. Nikolaos Georgopoulos
Associate Professor in Cell Biology at University of Huddersfield Co-Founder at VeritasCell |
| 
Bernhard Munzig
Managing Partner at BePaMQ GmbH | 
Alessandra Scotti
Institutional relations & scouting at LIFTT | 
Mikko Korhonen
Business Development Manager at EIT RawMaterials |
| 
Zoe Stanley - Lockman
Acting Deputy of Innovation at NATO Headquarters | 
Madara Kalniņa - Kalnmales
Co-founder at RedFrog Chapter President at VRARA the Baltics | 
Kristaps Jaudzems
Group Leader at Latvian Institute of Organic Synthesis, Professor at University of Latvia |
| 
Ella Kalniņa
Commercialization Reactor Fund Partner; Jury Member at European Innovation Council (EIC) Accelerator | 
Liene Ekša
Senior expert of the Latvian National Contact Point | 
Julia Gifford
Co-Founder at Truesix |
| 
Martins Zaumanis
Owner of science communication platform Peerrecognition.com | 
Pāvels Razmajevs
COO, Eventech | 
Levs Lapkis
Business Development Manager, RD Alfa Microelectronics |
| 
Miranda Vinay
Locum Associate Editor at Nature | 
Arko Oleak
Lecturer in Science Communication at Tallinn University | 
Mikēls Grīvins
Researcher at Baltic Study Centre; Professor at Riga Stradins University |
| 
Tobias Maier
National Institute for Science Communication, Germany | 
Dainis Jakovels
Leading Researcher, Institute for Environmental Solutions | 
Monika Alja Vainiņa
Member, Team Crispy, National Hackathon Winners, World ActInSpace Hackathon Finalists |
| 
Elīna Gaiļe-Sarkane
Vice-Rector for Academic Affairs, Riga Technical University | 
Yury Korkishko
CEO, Fiber Optical Solutions | 
Bernhard Nußbaumer
Chief Business Development Officer at ACMIT GmbH |
| 
Jānis Jaško
CEO and co-founder of "WeedBot", Researcher, Biologist, Plant protection specialist | 
Ieva Zvejsainiece
Entrepreneur, Trademark Attorney, Intellectual Property Appraiser, Speaker | 
Mārtiņš Kokalis

Silver Toomla
Managing partner of Invent Baltics |
|
Åsa Claesson
Senior Scientist and Business Dev. at RISE Research Institutes of Sweden, Fiberlab |
Rolands Ozolins
Founder, Business Growth Strategist at IBD Consulting |
Ph.D Hannah Joyce
Professor in low dimensional electronics at the University of Cambridge |
|
Max Olofsson
CEO of SLF Svenska Laserfabriken AB |
Aniels van Wijnberghe
Investment manager, SpaceFounders France |
Gustavs Zilgalvis
Founding Director, Center for Space Governance |
|
Frank Danesy
Adjunct Faculty Member, University of Mannheim; Founder and CEO, Intelsource |
Maya Schwartz
CEO, Israeli High-Tech Association |
David "Deddy" Dayag
Astrophotographer |
|
Igor Berkovics
Co-Creator at Biocatalyst Foundation; CEO at Zound Medical |
Andrii Shekhirev
Co-Creator at Biocatalyst Foundation; CEO at Enzymity |
Fredrik Müller
Chief Strategy Officer at Qualsys AB |
|
Valters Slava
CEO of the spin-off company OG Sense |
Kalvis Alps
R&D Engineer at LightGuideOptics International |
Reinis Lazda
Researcher at the University of Latvia |
|
Mariam Quarshie
Nanophotonics researcher at the University of Eastern Finland |
Ph.D. Arturs Bundulis
Leading researcher at the Laboratory of Organic Materials, Institute of Solid State Physics |
Linda Zeltiņa
VIZULO Commercial director |
|
Andrejs Griscenko
Head of R&D at Ceram Optec |
Kristine Stakena
Growth Stage moderator |
Viesturs Sosārs
Program Director of INO Pre-acceleration program at RBS |
|
Ph. D Grant Aivazian
Optical Scientist |
Laurynas Mačiulis
Co-Founder & CEO of Astrolight and NanoAvionics, Spacecraft Engineer, Entrepreneur |
Eyal Ben-Ze'ev
Space entrepreneur, speaker and educator |
|
Emilija Vija Plorina
Researcher at Institute of Atomic Physics and Spectroscopy |
Ph.D. Krister Fröjd
VP R&D at Proximion |
Deniss Gradalevs
Transmission engineer; sound designer & musician |
|
Hayato Okubo
Senior Program Manager at Kyoto |
Sandris Mūriņš
Serial entrepreneur, inventor & public speaker |
Masahiro Morizumi
Innovation leader at Asahi Kasei |
|
Armands Jurjevs
CEO at ABLabs |
Juha Falck
Sales and Marketing Director at Senop Oy |
Marija Plotniece
Senior Expert at the National Contact Point for Horizon Europe |
|
Dr.sc.ing. Jūlija Asmuss
Senior Expert of Latvian Council of Science; Horizon Europe NCP |
Anders Mellberg
Senior Industrial Designer at Eker Design AS |
Magnar Ødeilen
Programme Director, EEA Norway Grants at Innovation Norway |
|
Anete Grosberga
CEO and Co-Founder at ForQueenBee |
Vanda Volkiva
CTO and Co-Founder at Fluffy Unlimited |
Angelina Bekasova
Space and Innovation Policy Senior Expert, Ministry of Economics and the Republic of Latvia |
|
Evījs Taube
LVRTC Member of the Board |
Andrejs Berdņikovs
Head of the LIAA Technology Business Centre |
Diana Lapkis
Member of the Council of the Latvian Space Industry Association |
|
Dr. Péter Mogorósi
Chief Executive Officer at Creative Accelerator |
Aigars Lauzis
BETRITON |
Ph.D Kaspars Grīnbergs
Ph.D in Industrial Engineering |
|
Ilona Gulchak
Chairperson of the Board at Commercialization Reactor Fund |
Ph.D Asger S. Jensen
senior market development manager and head of Quantum at NIKT |
Jānis Upmānis
Co-founder and CEO at getUgo |
|
Liene Briede
European Innovation Council board member |
Stella Tkatchova
EIC Programme Manager for Space Systems & Technologies |
Lars Frolund
European Innovation Council board member, Lecturer at MIT |
|
Ph.D. Anders H. Hansen
Research Scientist at ACRF Digital, Smart Sensor Systems |
Prof. Zohar Ben-Asher
Academic Director & Chief Scientist at EuCRF European Centre for Research & Financing |
Robert Fickler
Associate Professor at Tampere University |
|
Nikolai Adamovitch
Founder and CEO at Commercialization Reactor |
Ph.D. Ainārs Ozols
Chief Technology Officer at EuroLCDs |
Oskars Teikmanis
Research Assistant at the Institute of Electronics and Computer Science |
|
Illa Stambler
Chief Science Officer at Vetek (Seniority), Israel |
Dr. Regina Gumenyuk
Project Coordinator at Tampere University |
Dr. Clément Guyot
Space Product Line Manager at Exail |
|
Anton Adamovitch
Partner, Head of Entrepreneurial Vector at Commercialization Reactor |
Dóra Marosvölgyi
Founder and CEO at DARE Innovations |
Pauls Irbins
President of the Latvian Space Industry Association |
|
Artis Ozoliņš
Technology journalist and enthusiast | | |
